## User Agreement

The following User Agreement (the "Agreement") applies to your participation in the Applied Data Science Lab (the "Lab") at WorldQuant University (the "University"). By signing this Agreement, you hereby acknowledge and agree to the following:

### Acknowledgements

1. I hereby acknowledge that I have read and understood the [University's Terms of Use](#), which are incorporated by reference into this Agreement.
2. I hereby acknowledge that I have read and understood the [University's Privacy Policy](#), which is incorporated by reference into this Agreement.
3. By enrolling I am pledging my time and commitment to successfully completing the Lab. Additionally, I understand that I will need reliable internet service to be successful and that a laptop or desktop computer will be required to complete course activities.
4. I understand that plagiarism, cheating, fabrication, engaging in or facilitating academic dishonesty, republishing or redistributing any course materials including but not limited to assignments, course notes, and lecture videos, my own coursework or another student's work, and uploading these materials to other websites are strictly prohibited. I understand that the University may suspend or terminate my account and prevent access to the Lab if it suspects any of the foregoing, and I will be responsible for any damages that are incurred in connection with the foregoing. I further understand that unless explicitly noted, all course materials are the property of WorldQuant University.
5. I understand that I will own the rights to all work I create for the purpose of completing the Lab ("Student Work"). I hereby grant to the University a non-exclusive, royalty-free, transferable, worldwide right and license to use all Student Work for any purpose whatsoever, including but not limited to, commercial exploitation, and the preparation and exploitation of derivative works therefrom.
6. In the event I wish to publish any of my Student Work, I hereby agree I will seek consent from the University prior to the publication and to disclose that the work was originally created as part of the Lab coursework.
7. I understand that as a student of the University, I am prohibited from being employed by and pursuing candidacy at WorldQuant, LLC and/or its affiliates for a period of **12 months** following the earlier to occur of (x) my last day as an enrolled student at the University and (y) my graduation date from the University. I further understand this rule applies to all accepted applicants who enroll and begin their studies at the University, whether they earn a degree or exit prior to completion.

Signing this Agreement is a mandatory prerequisite to start your coursework. It is valid for the entire duration of your enrollment in the Applied Data Science Lab and expires upon your successful completion of or withdrawal from the Lab.
